FENDER CLEANER

CONCENTRATED FORMULA

Properties:

Developed to clean boat fenders and defenses, very easy application eliminates embedded dirt such as black marks, marine pollution, waste oils, etc...

ADVANTAGES:

- Safe for surfaces: **Neoprene - Hypalon - PVC**
- Easy to apply with a spray
- Its stain removing agents penetrate into dirt
- Phosphate-free, no NTA, without chlorine
- Contains surfactants of vegetal origin
- Is not toxic for health and environment
- Does not attack rubber and plastic

CAUTION

We recommend to handle the product with care. Wear the suitable protective equipment.

Instructions for use:

Dangerous. Observe the safety instructions.

Dilute 1 measure of product in 3 measures of water. Apply with a brush or with a spray on the surface to treat, let stand and penetrate in the dirt, then scrub using a brush or sponge, rinse with clear water.

Do not dispose of residues to the sewer.

Technical specifications:

Physical state: liquid **Colour:** blue **pH:** 13.5 **Density:** 1.09

Storage: keep the bottle tightly closed and away from the cold and heat in a ventilated place.

Components: sodium hydroxide, alkylpolyglycoside. < 5% (phosphonates, non-ionic surfactants, anionic surfactants).

The surfactants contained in this preparation comply with the criteria of biodegradability as defined in Regulation (EC) no 648/2004 on detergents.
