NTA
PHOSPHATE

Glass foam

Properties

Foam cleaner developed to clean all glass surfaces and Plexiglas on boats:

windscreen, windows, bay windows, screens, TV, GPS, radar, etc...

Removes quickly and easily: **dirt, pollution, salt deposits, motor smoke, nicotine, insects etc...** for a brilliant result.

Not harmful to the environment. Antistatic.

Instructions for use

Dangerous. Observe the safety instructions.

Shake the aerosol. Spray and let the foam stand and act. Rub and wipe with a microfiber cloth. For electronic equipment, we recommend to clean when the power is off.

Do not expose to temperatures exceeding 50 °C/122 °F.

Pressurized container, do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material.

Do not dispose of residues to the sewer. Dispose of the product and its container as hazardous waste.
